

Red Wine Rossocampion

Wine produced with the grapes of our vineyards situated in the gentle Collalto hills. Simple vinification and aging in wooden barrels.

Ruby red color with garnet reflections; the bouquet is complex with aromatic notes ranging from red berries to cherries under alcohol, enriched by delicate spices, hints of chocolate and coffee; in the mouth it is dry, full-bodied, with a good alcoholic note and a pleasant minerality concludes with firm but delicate tannins.

Serve at a temperature of 18 °C
