

Still red wine

Rossocampion

Origin: It comes from the rolling hills of Collalto, a territory also suitable for the cultivation of red berried varieties

Method: alcoholic fermentation in tank, aging in wooden barrels

alcohol: 13% vol

sugar: 0 g/L

characteristics: still wine, obtained from the blend of cabernet sauvignon, cabernet franc, merlot and marzemino. It has pleasant notes of red fruit wrapped in a delicate vanilla note. In the mouth it expresses delicacy and finesse, typical of the territory in which it is born. Excellent with red meats. Serve at 18°C
